

# Join us for Trinity Rep's **LONDON THEATER TOUR** October 12–20, 2019 • 8 Nights/9 Days

with *The Arthur P. Solomon and Sally E. Lapidus Artistic Director Curt Columbus and Nate Watson*

## DEAR FRIENDS,

I am so pleased to invite you to join Trinity Rep's signature, nine-day theater tour to London from October 12 to 20, 2019. Each year, we journey to this remarkable city to experience the art, architecture, and unparalleled theater offerings of one

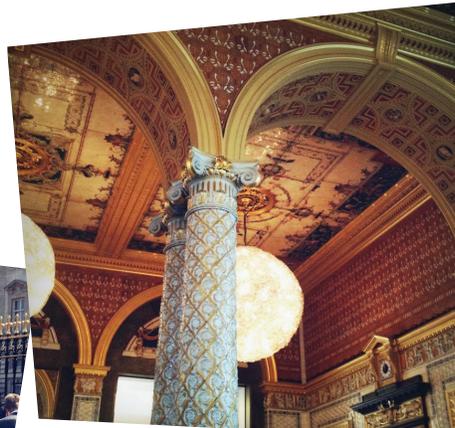

of Europe's great capitals. This trip has always had a sense of tradition but each year, we discover something surprising, new, and very unexpected. I am sure this trip will be no exception.

We are returning to the renowned Chesterfield Hotel in the heart of the beautiful and posh Mayfair neighborhood. Situated near Shepherd's Market, Green Park, Buckingham Palace, and Piccadilly Square, there is a treasure trove of things to do and see around every corner. Our friends at the Chesterfield are pleased for our return and eager to make your stay comfortable and memorable, with its trademark of warm, traditional, British hospitality.

Of course, we are already on the lookout for our world-class line-up of plays, ranging from classics to new works, from musicals to dramas, from West End extravaganzas to intimate experiences. London always serves up a rich banquet of theatrical experiences. We will absolutely take full advantage of what's playing, and we'll also take a trip into the countryside to see what's great in English theater beyond the capital city limits.

The greatest part of any Trinity trip is that our theater-going experience is enhanced by our lively and illuminating post-show discussions after every performance, as well as exclusive special guests appearances, and a look behind a scene or two! I say it every year, and it continues to be true — the most important reason to recommend this tour is the wonderful people who attend year after year. Trinity travelers are intrepid, worldly, and endlessly curious. In times

such as these, broadening our minds, seeking truth and integrity through art and its many expressions have never more important.

Please register soon, and reserve your spot on the tour. In recent years, our London tour has sold out in just a few weeks from release.

On behalf of Nate Watson and myself, we hope you will join us on this great adventure, and I look forward to seeing you in the theater.... In jolly ole London!

Curt Columbus

# THEATERS may include:

## National Theatre

### The National Theatre

The National Theatre is dedicated to the constant revitalization of the great traditions of the British stage and to expanding the horizons of audiences and artists alike. In its three theaters on the South Bank in London, it presents an eclectic mix of new plays and classics from the world repertoire with seven or eight productions in repertory at any one time. The National Theatre aspires to reflect in its repertoire the diversity of the nation's culture.

## ROYAL COURT

### The Royal Court

The Royal Court Theatre is the writers' theater, a leading force in world theater for energetically cultivating writers — undiscovered, emerging and established. It is at the forefront of creating restless, provocative, alert theater about now. It opens its doors to the unheard voices and free thinkers that, through their writing, change our way of seeing. Royal Court strives to inspire audiences and influence future writers with radical thinking and provocative discussion.

The Almeida Theatre

## ALMEIDA THEATRE

### The Almeida Theatre

A small room with an international reputation, the Almeida began life as a literary and scientific society — complete with library, lecture theater and laboratory. Today, they make brave new work that asks big questions: of plays, of theater and of the world around us. Whether new work or reinvigorated classic, whether in our theater, on the road or online, they make live art to excite, enliven and entertain.

### The Old Vic

The Old Vic is one of the best-known and best-loved theaters in the world, synonymous with the greatest acting talent that Britain has ever produced. This iconic 195-year-old building has a rich history of great performances and The Old Vic Theatre Company continues to attract the best creative talent from the UK and all over the world to tread its famous boards.

*Venues and locations are based on previous tours and may vary. All productions and venues are subject to change.*

### The Young Vic

Conceived in the 1960s' spirit of iconoclasm and improvisation, it opened in 1970 as a place in which younger directors, designers, actors, writers and technicians could work alongside the world's great theater artists to present exciting productions at the lowest possible seat prices. Its intimate auditorium, built cheaply with a rough, light-industrial feel, reinforced by low prices, created in concrete a dream of the inclusive, class-free society to which its originators aspired.
