Trinity Rep is a non-profit, Tony Award-winning regional theater company located in Providence, Rhode Island. Founded in 1963, we are home to one of the last permanent resident acting companies in America. Trinity Rep's mission is to expand and embody the public square with dramatic art that stimulates, educates and engages our diverse community in a continuing dialogue. Arts education and social justice are central to our work. Trinity Rep's Project Discovery educational outreach program has brought more than 1.4 million students to the theater since 1966. After-school and summer programs led by our resident artists cultivate creativity, intellectual curiosity, and develop leadership and problem-solving skills. Through the Trinity Rep Active Imagination Network we use engaging, high-spirited curriculum to give children and adults with autism, and other cognitive and psychiatric disabilities the tools they need to learn, communicate and build self-esteem.
